

## INDEMNITY AND RELEASE Zoocation

Participation in the Zoocation programme could involve stroking or holding a non-venomous snake, handfeeding (through mesh) a large mammal such as a tiger or giraffe. These activities have been carried out at the National Zoo & Aquarium without incident in the past.

For your child to participate in the Zoocation programme we need you to sign the following indemnity form on the first day of your Childs attendance. More than one Childs name can be written on the same form.

Please note the Zoocation programme is an extension of the National Zoo & Aquarium's education programme not a vacation care programme.
