

INDEMNITY AND RELEASE ZOOcation

Participation in the Zoocation programme could involve stroking or holding a non-venomous snake, handfeeding (through mesh) a large mammal such as a tiger or giraffe. These activities have been carried out at the National Zoo & Aquarium without incident in the past.

To allow your child to participate in the Zoocation programme, please complete the indemnity waiver on the first day of your child's attendance. More than one child's name can be written on the same form.

Please note: The Zoocation programme is an extension of the National Zoo & Aquarium's Education programme - not an accredited child care programme.

No specific animal encounters can be guaranteed.

A late fee will be automatically deducted if children are picked up after 5pm.
