JANUARY 2019

BECOME A WILDLIFE SUPER HERO

Each day of Zoocation includes opportunities to get up close and personal with some of our friendliest animals; front row seats to animal feeding and enrichment activities; the science behind being a wildlife superhero and a craft piece to take home with you!

Animal experiences vary during the week dependent on the theme and animal needs.

Monday 7th and Tuesday 15th January

BACK FROM THE BRINK - SAVE OUR SPECIES

Investigate what teams of wildlife heroes are doing around the world to bring animals back from the brink of extinction. Meet the Zoo's most endangered species.

Tuesday 8th and Wednesday 16th January

GUARDIANS OF THE FOREST

With habitats fast disappearing, our forest critters are in an eco-emergency. Everybody can help to restore and protect their homes. Meet forest dwellers and their friends.

Wednesday 9th and Thursday 17th January

COMMOTION IN THE OCEAN

Make a splash in the Aquarium and discover how small changes under sea can affect the world around us. Learn how can we protect the ocean for years to come.

Thursday 10th and Monday 14th January

POLLUTION SOLUTIONS

Will you be a solar soldier or a wind powered warrior? Reduce, Reuse, Recycle & Rethink our daily lives to keep our planet healthy. See bears up close, feed Australian Natives and more.
